RACHEL HOVNANIAN The New York artist hosts a panel discussion on her latest exhibition, "Power & Burden of Beauty," an examination of women's pursuit of beauty. Talking points for the six panelists, including moderator and former Fox News anchor Laurie Dhue, include plastic surgery, body image and the pressure of advertising on women. Hovnanian's show will be on view at next weekend's Dallas Art Fair (www.dallasartfair.com for more information). The panel discussion, which will include select installations from the exhibit, is this Tuesday from 5 to 6:30 p.m.
